### Rent / Buy a Chip

You can decide at any time between the purchase or rental of a chip.

If you opt for the chip rental, the price is 6€. In this case please enter your bank account information. It is required by the organizer of the event. This ensures that, if the chip is not returned after the marathon, your account can be charged with 25 €. Of course, the chip is yours then.

If you do not live in Europe AND own an european bank account, please send us your credit card informations (card number, holder name, expiration date and SecureCode). This is absolutely essential to complete the registration.

### **Shipping of the Race Documents**

The shipment of the starting documents is made by the organizer in early September to the email address you provided.

If you do not have an email address, please let us know, then we will pass this information on to our organizer and send you the documents.

If you do not receive the documents, please log on/ contact us between the **08.09. and 22.09.2020**. We get a copy of all startpasses and send them to you.

### **Registration**

We receive the Log-in datas for the registration system in March. Until then, we will keep your registration information, but we cannot officially registrate you before that.

As soon as we receive the Log-in, we will registrate everyone. It takes up to 2 days until your name appears on the official participants list, after the official registration.

### **Time indication**

The specification is important for the organizer to divide the participants to start blocks.

### **Address**

Please give us your full address including: Street, Address, House number, Postal Code, City, State, and Country. If one of these is not filled out, the system will reject the registration.

### **Payment**

The payment has to be done within one week after we checked your registration and send you an email with the payment details. Otherwise your application will be deleted.

Payment can be done by wire transfer or paypal. The paypal fee will include then, but in some cases, this option is cheaper than normal transfer.

**WE ARE NOT ABLE TO CHARGE CREDIT CARDS OR BANK ACCOUNTS.**

### **Payments from non-European countries**

If you do not reside within the EU, it can be especially difficult with the transfer. Here most of the banks do not have enough indication of the account holder, IBAN and BIC.

In this case, you need the following information:

Company Name	Schleicher Reisen GbR
Street	Schelmesgraben
Address	20
Postal code	92237
City	Sulzbach-Rosenberg
Name of Bank	Commerzbank Sulzbach-Rosenberg
Street	Luitpoldplatz
Address	1
Postal code	92237
City	Sulzbach-Rosenberg
IBAN (International Bank Account Number)	DE64 7524 0000 0404 1109 00
BIC / SWIFT Code	COBADEFFXXX

### **Extra services by the organizer**

The organizer offers extras along with the marathon. You can find all prices and extras on the application.
